

SANTHOSH G

Web Developer | Computer Science Engineering Student

Chennai, India 600001 | +91 88837 72239 | g_santhosh@outlook.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Proactive and detail-oriented Computer Science Engineering student specializing in full-stack web development. Experienced in building responsive front-end interfaces using React.js, HTML5, and CSS3, and architecting robust back-end systems with Node.js and Azure SQL. Demonstrated ability to apply MVC architecture and agile methodologies to deliver scalable, real-world software solutions. Seeking to contribute technical expertise and a strong problem-solving mindset to a dynamic development team.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), Python, Java, SQL

Frontend Development: React.js, HTML5, CSS3, Responsive Web Design

Backend & Databases: Node.js, Azure SQL, MongoDB, RESTful APIs

DevOps & Tools: Azure DevOps, Git, GitHub.

PROJECTS

FoodChain Connect — Restaurant Supply Chain Management System

Feb 2026 — Apr 2026

Full-Stack Developer | React.js, Azure SQL, MVC Architecture, Node.js

- Engineered a robust supply chain management application utilizing MVC (Model-View-Controller) architecture to cleanly separate backend data logic from the user interface layer.
- Architected backend infrastructure using Azure SQL, designing optimized relational database schemas to track inventory, manage suppliers, and maintain strict data integrity.
- Bridged logistics dashboards with backend database queries to deliver precise inventory tracking and streamline operational efficiency for restaurant supply models.

EXPERIENCE

Intern — Web Development

Dec 2025 — Jan 2026

InternPe | Chennai, India

- Participated in an industry web development program, gaining hands-on exposure to front-end technologies including JavaScript, HTML5, and CSS3 within standard agile development workflows.
- Collaborated with a peer team to debug and optimize web page layouts, ensuring consistent cross-device compatibility and responsiveness across multiple browser environments.

EDUCATION

Bachelor of Engineering in Computer Science and Engineering (B.E., CSE)

Expected May 2028

Rajalakshmi Engineering College | Chennai, India

Relevant Coursework: Database Management Systems, Software Engineering, Object-Oriented Programming (OOP), Cloud Infrastructure, Data Structures and Algorithms
